LIANA VURV

DRIVE YOUR PASSION

Way of Life!

PAK SUZUKI MOTOR CO. LTD.

● **Supremely Stylish Interior, Innovative Exterior...**

A high-grade dashboard where luxury meets sporty functionality. Neatly laid-out instruments. A surprisingly spacious Liana cabin, tastefully colour-coordinated in beige and black, surrounds the driver and passengers in relaxing ambiance. Engineered for comfort, the seats feature bright, high-quality fabrics for a touch of class. Well-appointed throughout with an information display and a host of convenient features, the Liana VURV is tailored for driving experiences that are both refreshing and relaxing.

● **Stylish Chrome Grille**

● **Sparkling Rear Combination Lamp**

● **Full Wheel Caps**

● **Manual Transmission**

● **CD/MP3 Player**

The Liana VURV is equipped with state-of-the-art CD Player, with remote control so that you can enjoy your favorite music while you drive. Relish the sheer sounds and rhythms of the smooth and peaceful drive of Liana VURV.

Eminent Blue Metallic

Pearl Red Metallic

M13A engine

For a smooth sailing on the road.

AUDIO

Quality audio system featuring CD player (MP3) playback with remote control enhances daily drives.

Liana Vurv's relaxing cabin is a right place for a quality audio system. The CD player with MP3 playback/cassette/FM-AM tuner, 24-bit-resolution-DAC unit features a large, convenient multi-colour display/control screen.

CNG VERSION

- The factory-fitted CNG kit is exclusively designed for Liana Vurv's MPI engine and is covered by full warranty.
- Equipped with multipoint sequential injection system that represents a new generation of bifuel (gasoline/CNG) CNG conversion system.
- Automatic, smooth switchover to CNG, after start-up on petrol.
- Featuring an amazingly smooth drive.

Optimized cylinder capacity allows expanded run on CNG
The trunk, despite holding the gas cylinders, still offers space for several items, and includes a cover over the gas cylinders for better appearance.

A convenient gas volume indicator and switch makes for easy changeover to either CNG or petrol.

CNG injectors
The functioning of CNG injectors is controlled by the CNG ECU (electronic control unit), which helps to maintain smooth coherence with the gasoline system.

Handle-free side-by-side CNG/petrol filling layout

SECURITY

Keyless entry with answerback and immobilizer

To help put Liana Vurv owners' minds at ease, all versions have keyless entry with answerback function and an immobilizer system: the ignition key is encoded for exclusive use with the immobilizer only; therefore, it is impossible to start the engine without the original encoded ignition key.

OTHER EQUIPMENTS INCLUDE...

Accessory socket

Silver painted inside door handles

Tachometer

Information display

Air-conditioner
