

Put You Ahead in Utility and Ease of Driving

Introducing New Mehran, the best choice for people who drive every day! New Mehran's unbeatable blend of utility, ease of driving and agile mobility now comes topped with a host of eye-catching new exterior styling features. Enjoy the new multi-reflector headlamps, rear combination lamps, front and rear bumpers. All of this is complemented by new gray-tone interior, highlighting newly designed seats, with new seat fabric (VXR), and new door trim. Mehran's user-friendly and reliable performance you can always count on, now with extra style.

● Comfortable cabin, newly designed seats, with new seat fabric (VXR) and new door trim.

Cozy cabin for your daily drives

The New Mehran's cozy cabin sports a new gray overall tone, together with newly designed seats, new seat fabric (VXR), and new door trim. The cozy cabin greets you with amenities down to details: sun visors, 3-position room lamp, coin case, and air conditioner (VXR).

● Equipped with a Steering Lock making it a secure choice and ensuring a peace of mind.

● Well-cushioned rear seat with new seat fabric (VXR) provides comfort for passengers at the rear

New eye-catching looks

Unmistakable new styling wraps around the new Mehran. Up front, new, distinct headlamps, front bumper and front grill. New wheel covers (VXR) enhancing the rear look accentuated with new rear combination lamps and new bumper.

● New designs for the front bumper (Coloured Bumper (VXR) with new coloured front turn signals). Bright and stylish multi-reflector headlamps

● New side turn signal lamp

● New Suzuki logo & front grill

● New rear bumper with new rear combination lamp

● New wheel covers

● With Steering lock

Peppy performance always on the go

Count on the New Mehran to keep you moving at a fast pace - reliably and comfortably. Its responsive 796cc 3-cylinder engine - 29.4 kw of maximum output always on the go - is coupled with an agile chassis - front strut/rear leaf spring suspension, 12-inch radial tyres, and front disc/rear drum brakes.

Factory-fitted CNG Kit

The factory-fitted Italian CNG Kit offers greater economy and environment-friendly performance. The gas ventilation system helps prevent gas leakage and the water-circulation regulator assembly helps prevent temperature variation.

● Gas cylinder placed for hassle free access to spare wheel and properly fitted on welded bracket to the body.

● Side-by-side petrol/CNG filling arrangement.
